

FlexGround Standard

HIGH QUALITY EPDM POURED-IN-PLACE

FlexGround Standard is our traditional poured-in-place rubber safety surfacing. It is a two-layer system consisting of a high-quality recycled cushion layer base and a top layer made of 1/2" urethane-adhered EPDM rubber granules. Each granule size is 1-3mm in size.

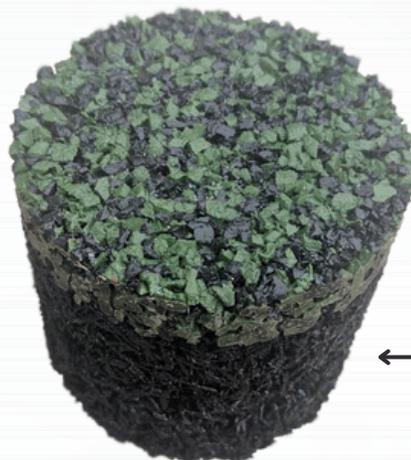

Advantages:

- Can be modified to meet varying critical fall heights
- Offered in a wide array of colors
- Can be installed indoors or outdoors
- IPEMA Certified
- Suitable for all-age playgrounds
- Wheelchair Accessible
- Durable

Perfect For:

- Playgrounds
- Outdoor gyms
- Trails and so much more
